PETITION PRIVACY POLICY

This Petition Privacy Policy is to be made available to each signee for their review before they have agreed to sign this petition if they so choose.

Southern Maryland Shooting Times (SMST) recognizes that your privacy is very important to you and that you have a right to control your personal information. We know that providing personal information is an act of trust and we take that seriously.

Those volunteers who collect signatures and personal information are responsible for keeping your information secure and private to the highest degree as stated in this privacy policy.

We will not email you anything unrelated to SMST, however, you may receive updates regarding the petition. If your email address is supplied, it will be stored securely.

Your email address may be used for signature verification by SMST when we conduct quality control of a signature list. This is important to maintain high standards of signature list integrity. Quality signature lists promote quality petitions and successful campaigns.

You will not receive unsolicited mailings or phone calls unless the government department receiving this petition requires that the signee / signatory of this petition be verified.

Your Personal information remains private and will not be given or sold to any third party.

Personal information is held private between SMST and the petitions directly related parties only.

If signing a petition, your information can be accessed by the petition's author. The author agrees to use signatures responsibly. Petition targets will also ultimately view relevant signature lists.

Signature lists that are collected, are presented to the petitions sponsor and stored securely. All petition signatures forms are to be submitted directly to:
